On the 31st December
last, the Amildar of

3217
This matter being the Srerangapatam Taluk
the Honble the Resident
mentioned the same wrote to this Office direct
"only yesterday, Indian stating that the Honble
for them is what is the Resident who visited
wanted. Kindly the Gumbaz on the 23rd
come up yourself and receive
for a day ^{at once} instructions in person
what I want is the
exact dimensions, ideas, told him that
of the place -

and H. E. the Viceroy had remarked

Recd from Mysore 9 12.02 that the carpe ts at Jaffer's
10/2/02 tomb were old, and that
the Honble the Resident
would write to the Secy
about replacing the
old carpe ts by new ones
The Secy is for then
Sent for the

two sets of accounts,
viz. to, amounting to
Rs 2143/- and stated
that he had submitted
the matter to the Sub
Division Officer in the
proper channel, but
that as the matter was
urgent, he wrote to
this Office also direct.

2. As the information
contained in the Estimates
was not clear, I issued
a Kanarese order dated
the 11th January 1902 asking
for detailed information,
and sent copy of it to
the Deputy Commissioner
requesting him to submit
a detailed Estimate.

3 Not receiving a
reply from the Deputy
Commissioner of the Post,
I wrote to him - Officially
to the Sub Division Officer
of French Rocks on
the 23rd January 1902, requesting
him to visit the gunnery
and look into the matter
personally, and give me
full information as to
the carpets, their cost &c.

4. Since then, a letter
was received from the
Military Assistant, No.
1443 dated 24th January
1902, stating that H.E.
the Vicaroy, during his
visit to Dibrugarh

in 1900, noticed that an English Carpet was used in the Gumbaz, in Jaffer Sultan's Tomb, and remarked that it would be more in keeping with the place if it could be replaced by one of an Indian pattern. He added that the Hon'ble the Resident had desired him to inform the Durbar of this as probably H.E. might again visit the Tomb when he revisits Mysore next year.

5 Copy of this communication was immediately forwarded to the Deputy Commissioner -

Mysore

the Mysore District, with
the request that the detailed
report already called for
be submitted at a very
early date, taking into
consideration the
suggestion made in the
Military Assistant's letter.

No reply has yet
been received from the
Deputy Commissioner,
but the Sub Division Officer
(Mr. N. Venkata Rao) has
sent a D.O. reply stating
that he was present when
Mr. E. Lord Curzon visited
the Gumbaz, that the
idea at the time was
that the new camp -

should be somewhat
costly, that of the two
sets now asked for, one
is for every day use, and
the other for special occasions.
Such as the Oorus, and
vests of great personages,
and that the Estimates
now submitted may be
passed. The Amir has
also submitted the
Estimates with information
similar to the above.

7. The Nazim of the
Suburb, came in person
and was engaged in
obtaining information
at the Central Jail and
in the local market
as to the price of the carpets
and clothes required,

but I sent him away
to Seerangapatam yesterday
as I heard that H. E.
the Commander in - Chief
would be at Seerangapatam
tomorrow.. He will come
again and continue
the requisite enquiries.

I, There is no doubt
that the Carps to be
require re-placing. The
Deputy Commissioner's
reply however, has not
yet been received, but
as we have the Sub
Division Officer's opinion,
may an order be passed
sanctioning a rough
estimate of Rs 2000/-
and directing

the purchases should
be made and stitching
work to be executed under
the personal orders of
the Sub Division Officer,
and a bill of actual
cost submitted to this
office?

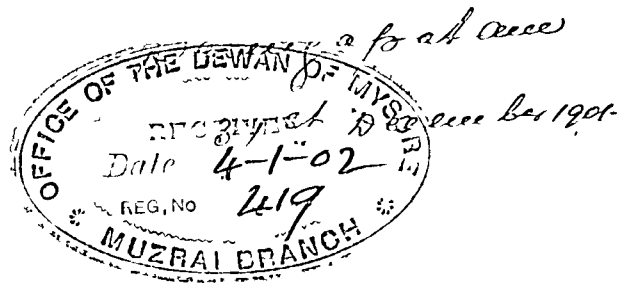

G. There are savings
at the credit of the
Gumbaz amounting to
Rs 10,649-0-11. Some
considerable repairs
are ^{now} required for the out-
-houses on the Gumbaz
premises for which Estimates
have been called for
and tenders sent.

Deputy Secretary, Muzroi Department, Bangalore.

Sir,

I have the honor to inform you that H.E. the Viceroy during his visit to Seringapatam in 1900, noticed that an English carpet was used at the "Gumbaz" in Tippoo Sultan's Tomb and remarked that it would be more in keeping with the place if it could be replaced by one of an Indian pattern. The Hon'ble the Resident has therefore desired me to inform you of this as probably H.E. may again visit the tomb when he revisits Mysore next year.

I have the honor to be,

Sir,

Your most obedient servant,

R. G. Jones

My dear Mr. Aungmye San

I received your D.O. of the 23rd instant yesterday evening.

The estimates sent contain full particulars regarding the size and kind of carpets, tomb covers &c. wanted. When His Excellency Lord Curzon visited the Gumbaz, he remarked that the present carpets and covers were too old and worn out and required being replaced by suitable materials. It was understood at the time that His Excellency meant that the articles for replacing the present set of carpets &c should be somewhat costly to be in keeping with it.

FROM

To

the dignity attached to the Zombos.

Of the two sets for which estimates were submitted, one is for every day use and the more costly for use on special occasions of *Wruve*.

As the estimates submitted require to be explained personally for being thoroughly understood, and as the carpets and other clothes provided for in the estimates have to be selected at Bangalore I have herewith sent the Gumbuz Kazine who will better explain the details of the estimates. As I have paid more than half a dozen visits to the Gumbuz and was present when His Excellency the

the Viceroy remarked that the present
carpets &c. should be replaced
I think the two estimates ^{already} sub-
mitted may be passed.

Reference is not available
as to when the existing set of -
carpets &c. were purchased or at
what cost as they are said to be
existing from a very long time.
Even the oldest men living at
Seringapatam are unable to
give this information.

The Rajah will wait
upon you tomorrow at Bangalore
With best wishes

Sewan
Very sincerely yours
H. O. S. S. S.

The Secretary to the Government of Mysore
Muzaroi Department
Bangalore

Respected Sir

I beg leave to lay before you the following with the hope that this may be favoured with your kind consideration.

I was given to understand that it was ordered that I should be given the 1st work chunk work at the Srirangapatam Gumbaz, whether I had accompanied you in January last.

Being hopeful of getting this work I got a half dozen workmen from Srirangapatna and kept them at a very heavy cost since then.

For the last 7 years I have worked in the Palace and in various dramatic troupes in Mysore and Srirangapatna. Recently I have done work worth nearly 1000 Rs for the Srirangapatna Gumbaz which has not only met with the appreciation but the public at large.

A week back I was very sorry to hear from the manager of Muzaroi Department that the work was ordered to be distributed among three different workmen out of whom I am one. I am disappointed that the work which I am not reason to expect was entirely mine was thus given to others who had to undergo neither the trouble nor the expenditure as I have.

I now request you to kindly order that the work might be given to me wholly under these considerations. If these considerations should not move you in my favour I beg to do the work at a rate an amount less than the market rate.

Further I beg to represent that it is not with the object of making money I am resolved upon and taking the work but with a view of getting a chance for my work to be recognized and appreciated by the many and famous visitors to the place.
